# HUSH ELECTRICAL CONTRACTING

A Division of Hush Maintenance Corporation

## Residential \$275.00

Flat rate includes initial site visit with brief inspection of work performed for up to two (2) hours. If initial inspection of work is to extend past the two (2) hour allowance an additional charge of \$45.00 per ½ hour will apply.

Any violations found during this visit will be included on a written estimate to remedy.

**Underwriter's Inspection Cost \$395.00**

## Commercial \$350.00

Flat rate includes initial site visit with brief inspection of work performed for up to two (2) hours. If initial inspection of work is to extend past the two (2) hour allowance an additional charge of \$45.00 per ½ hour will apply.

Any violations found during this visit will be included on a written estimate to remedy.

**Underwriter's Inspection Cost \$450.00**

## Other TBD

Price to be determined after reviewing request form

## Agreement

I hereby agree to the flat rates listed above and agree to pay the rate that applies to my specific request. I understand that payment is due upon complete of the job.
